

# Volunteer Program

We love our volunteers!

Our volunteers and the many ways they assist are such a blessing to Summit Christian Academy. They allow us to provide many special opportunities for our students that they otherwise might not have. Volunteers bring enthusiasm, creativity, talents, and expertise to our school, providing a support system for our teachers and students.

We are blessed to have not only parent volunteers, but grandparents and other family members as well. Our volunteers log more than 10,000 hours each year!!

There are a variety of ways for you to volunteer. Every area of service is important and allows us to fulfill the mission and purpose of the school: "To inspire students to achieve their God-given potential through excellent academics and Christian training in a compassionate environment."

If you are interested in becoming an SCA volunteer, please contact the Development Department at 816-525-1480.
