CHRISTIAN ACADEMY

Dear Pastor:

Thank you for your interest in the Summit Christian Academy Covenant Church Program.

Summit Christian Academy (SCA), formerly Lee's Summit Community Christian School, was founded as an independent community-based school in 1989. As a community school with students from more than 150 different churches, our statement of faith is very basic to the Christian faith.

Several local pastors were members of the committee that formed SCA. They immediately entered into a covenant relationship with the school, indicating agreement with the school's statement of faith and agreeing to pray for the school and help disseminate information to church families. Since that time, more than 140 churches have entered into this covenant relationship with the school.

Enclosed is a SCA brochure, a fact sheet on the school, and a list of covenant churches. If you wish to become a covenant church with SCA, please complete the Church/School Covenant form, keeping one for your records and sending one to us.

If you have any questions, please feel free to contact me or my assistant Carol Lewis. We will be happy to help you. I look forward to hearing from you soon.

Serving Him Together,

Linda Harrelson  
Administrator
