

How to Receive SCA Alerts

If you would like to sign up to receive a text notification from me in case of SCA emergencies or school cancellations you have to sign-up for this group through your cell phone.

To sign up for this text communication please do the following:

- Open your texts and start a new text
 - In the “To” line, just put in the following number – 81010
 - In the message box, type - @scaeme
- You will receive a text asking for your name and if you are a student, parent or teacher.
- If you have Verizon, you will need to download the Remind app and allow push notifications. If you have other cell service, you do not need to download the app. The text will mention for you to do that, but it is not necessary! The messages will come to you as a text. If you do download the app, then the message will come through the app and not the text message.

If you have any questions about signing up, or if you have signed and up and want to confirm that I have you down, please send me an email and I will let you know if I have you signed up. My email is: jhesman@sca-kc.org
